WE would call attention to the advertisements of E. L. Brand's new style of Cards De Visites, which he claims super-curity, and for proof of his claim invites the inspection of the public.

GRACELAND CEMETERY.—Those wishing to visit this beautiful city of the dead, can obtain train tickets at the Company's office, in 12th street, and a omnibus connects with the North Clark street cars. Take car marked "City Limits."

BURGARY.—The residence of Thos. Tracy, Esq., on Michigan avenue, near Old Stock, was entered on Friday night by burglars and robbed of several silver napkin rings and spoons. The burglars escaped without detection.

6th. E. W. Walsh has a little pamphlet containing a portrait and sketch of Marion Brown, incendiary articles from the Knoxville Whig, and some account of his prison life in "Secession." Price only 25 cents.

St. GEORGE'S BENEVOLENT ASSOCIATION.—We are sorry to learn that the members will be incorporated in this city, and it is desirable that all the members should be present, as there is business of the utmost importance to be brought before them.

THE WAND FUND.—This fund, which has been a source of support to many families whose heads are in the army, has been established to the amount of some \$10,000, which will be remitted weekly, but was informed by a notice posted that no money could be paid them on that day for lack of funds.

THE BOARD OF TRADE AND THE CHAMBER TRADEIN.—In the supplement appended to this issue we reprint the proceedings of the Board of Trade meeting relative to the War-horse Imbroglio. A provoking error in making up the article for our Saturday's issue caused the omission.

THE A. C. H. will be present at the War-horse meeting, and the officers will be informed by a notice posted that no money could be paid them on that day for lack of funds.

VALUABLE BURFON.—The ill-fated goods-chaos upon Lake street have been a valuable and much-needed reform in removing their goods hitherto exposed for sale and inspection upon the sidewalks. The example is eminently worthy of imitation by other classes, and the fact is creditable to the good merchants in their efforts to accommodate pedestrians.
